

**We need help! Please become actively involved with your child(ren)'s extracurricular and educational experience by joining the Albany Booster Club! We are seeking help from all parents, guardians or community members.**

Volunteer activities include working in concession stands at athletic events, selling raffle tickets at concerts and plays or volunteering in other ways. The Booster Club has contributed financial support for:

- Scholarship funds for theater arts, music and physical education
- Musical equipment; wireless microphones for AHS Drama Club
- Spirit apparel for all athletic teams
- Enhancement of clubs and other extracurricular activities
- End of season individual sports banquets
- Financial help when applied for and needed

Revised 2/2016

2015-2016

**Albany Booster Club is a charitable not-for-profit organization established in 2000 by Albany City School District parents for the purpose of providing financial assistance and support to all extracurricular activities offered by the District.**

The Albany Booster Club seeks volunteers throughout the year to staff concession stands and assist in fundraising efforts.

The majority of our funds are raised through concession stands, 50/50 raffles and private donations. The Albany Booster Club is solely dependent upon parent, student, staff and community members. We always need new members and volunteers.

# Albany Booster Club

## *Special thanks to our Booster Club supporters*

- Albany Booster Club supports all the students in the City School District of Albany. Upon receipt of a Financial Request, we donate as much money as possible back to the District students, primarily funding Varsity and JV sports, the Albany High School music department and the Albany High theater group. Special requests from any group are also considered and donations made by the Albany Booster Club.
- We work in a "Pay it Forward" mode: students and parents help us make money at 50/50s and concessions so we earn enough to pay groups when financial requests are submitted.
- If a child participates in an extra-curricular activity at Albany High or the middle schools, they will most likely benefit from funds given by Albany Booster Club. They help us; we help them. Upon request, we give money towards spirit wear and end-of-season parties.
- The Albany Booster Club's annual 5K in September helps generate funds for our club. Our 4th annual Falcon 5K will be held on Sunday, September 25, 2016.
